(IV) INTELLECTUAL PROPERTY POLICY (IP Policy) ON STUDENTS

(a) Intellectual Property

"Intellectual Property" means any discovery, creation, invention, design, get-up, trade mark, know-how or any research effort and all rights pertaining thereto whether registrable or not including patents, copyright, trade marks, designs, utility models, moral or other such rights in any country. Intellectual Property Rights (IPR) are legal rights protecting the creator of IP, giving him/her economic rights and control in his/her creations.

Important and valuable Intellectual Property may be generated by students as a result of their involvement in assignments and projects, in which teachers play an important role. Ideas and concepts from these assignments and projects could be very practical and novel, and could be adopted for commercial use. Furthermore, to complete these assignments and projects, students make use of consumables, computer hardware or software, or other facilities owned or operated by VTC and its member institutions. In consideration for all these benefits contributed by VTC toward the creation of Intellectual Property, it is just and equitable for a student to provide the following undertaking to VTC.

(b) Student's Obligations and Warranty

Whilst the student still owns his/her IPR, each student irrevocably grants VTC a perpetual, royalty-free, world-wide non-exclusive right to reproduce or use (in whole or in part) any Intellectual Property materials (including their adaptations) created by him/her solely or jointly with other person or persons during his/her course of study. Such right to use shall include the right to sub-license. The student warrants that the Intellectual Property materials shall be original and do not infringe any third party's proprietary and intellectual property rights. Each student undertakes to promptly report to VTC if he/she knows or has reason to believe that the right of the Intellectual Property materials belongs to someone else solely or jointly with him/her. Each student further undertakes to follow the policy, rules and regulations issued or to be issued or revised by VTC and its member institutions from time to time. Each student understands that adherence thereto is a condition of continued enrolment and graduation.

(V) STUDENT DECLARATION ON ACADEMIC ORIGINALITY

I declare that all the academic work that I will submit, which may take various forms such as but not limited to class work, written assignments, laboratory work, presentations, portfolios, artefacts and projects during the course of my study are entirely my own work. I understand submitting or presenting academic or assessment works, either in its entirety or in part, which is not my own work but claiming that it is my own work would be considered as cheating, which will render me liable to disciplinary actions.

I have read, understood and agreed to follow all relevant rules and regulations promulgated by PEAK under VTC stipulated in the "(I) Collection and Use of personal data", "(II) Notes to Applicants", "(III) Declaration", "(IV) Intellectual Property Policy (IP Policy) on Students" & "(V) Student Declaration on Academic Originality" on page 2 of this enrollment form and in the "Programme Administration Guidelines" (the Guidelines) and in the "Student Handbook".
